
The Unconscious Civilization John Ralston Saul

a brief history of transpersonal psychology - stanislav grof - unconscious or archetypal figures and realms are seen as pathological products of the brain. modern mainstream psychiatrists interpret visionary experiences of the founders of great religions, the fine art of baloney detection - freie universität - the fine art of baloney detection carl sagan the human understanding is no dry light, but receives an infusion from the will and affections; whence proceed sciences which may be called "sciences as one would."
